

SALA DI GIUSTIZIA

This marvelous gothic hall hosts the cycle of frescoes realized in the XIII century by an anonymous master called "Maestro di Angera". The representation illustrates the life of Archbishop Ottone Visconti and describes his victory on the Torriani in the battle of Desio in 1227. The room is located on the first floor, Ala Viscontea.

SALA DI SAN CARLO BORROMEO

The hall takes the name from the ancient canvas representing the Saint of house Borromeo during his prayers, documented in the castle since 1683. Here and there, the walls are graced with breathtaking frescoes of the fifteenth century.

Seating	40	Cocktail	70	Surface Area	m ² 65

THE TERRACE

The soft, green mantle of the Terrace gently tops the buttresses surrounded by crenellated walls, offering a magnificent sight amidst the Lago Maggiore and the Swiss Alps. The terrace is the perfect place to host breathtaking events and conferences. The location may avail itself of covering structures if needed.
